Warnings:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC RF warning statement: The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

The Chapter II: Features & Functions

- Looks small, sounds big. Blast music, movies, games and more
- Bluetooth 4.0, easy to pair 2 devices at same time

Remark 2: **Power bank edition: if the edition you bought has power bank function, you can recharge your mobile phone through this speaker.**

Chapter IX: Specification

Category	Item	Description
Bluetooth	Standard	Bluetooth 4.0
	Frequency	2.4-2.48 GHz
	Connection	By hand
	Range	30m
	Profile	HS/HF、A2DP、AVRCP、OPP
Audio	Speaker unit	40mm
	Rated Power	2.5W+2.5W
	Response frequency	100Hz~20KHz
	S/N	S/N≥85 dB
	RATED IMP	4 OHM
	THD	THD≤10%

Power	Type	Built-in Lion battery 1800mAh
	Rated Power	3.7V
	Voltage	4.2V
Interface	AUX input	3.5mm AUX
	DC-IN input	Mini USB
Spec	Gift box Size	180mm*105mm*70mm
	Speaker Size	164*50*73mm
	Speaker Weight	446grams
	Design patent	201330170836.2
